

Astwood Bank Carnival 2019

Procession Entry Information

Theme: Music Through The Decades

Information for Floats

This year's Carnival will be held on Saturday, 13th July 2019 at S.E. Davis' field, Edgioake Lane. This year the Carnival theme is Music Through The Decades. More information will become available on the Carnival Website www.astwoodbankcarnival.co.uk

IMPORTANT please ensure ALL participants are aware of assembly arrangements.

All vehicle-based floats, tractors, steam engines will be assembled, and start from, the carnival field at S.E. Davis in Edgioake Lane for 11am latest. Those starting at Davis' should keep in mind that the yard will be open for business as usual during the morning and take care when arriving. Marshals will be on duty to direct you.

You may leave cars in the public car-park for the rest of the day. This car-park unfortunately has a narrow entrance which can only accommodate one-way traffic, and we are aware that in previous years a number of cars were 'trapped' in the main car-park after the procession arrived until the queue of cars following the procession had cleared.

Walkers & Marching Bands will assemble at Astwood Bank Primary School in Church Rd at 11.15 - 11.45am.

No parking is available at Astwood Primary School and very limited parking is available at Ridgeway Academy. Vehicles cannot be moved from procession assemble point until the end of the road closure at 2pm Note that street parking is not possible on the procession route and vehicles cannot be moved from adjacent streets until the end of the road closure at 2pm. Coaches e.g. those bringing the Marching Bands, should move from the middle school to the Carnival field as soon as they are unloaded, providing this is before 12noon, otherwise marshals will direct them to temporary parking until the closure is lifted.

The road closure runs from 12noon to 2pm, during which no vehicles can move between sites other than those in the procession. PLEASE ENSURE THAT ALL PARTICIPANTS ARE IN-PLACE BEFORE 11am with floats ready for judging.

All vehicle-based floats, steamers etc. will start from SE Davis Field on Edgioake Lane as soon as the road closure comes into effect at 12noon, travel along Evesham Road to the middle school where the bands can join the procession the procession will then continue into Church Road, where the walkers and bands as required will join at the Primary School. The full procession will then follow the usual route via Castle Street, High Street, Hoopers Lane and Chestnut Road to re-join Evesham Road at the Bell, and on to the Carnival Field.

On arrival at the field, the procession will be directed by marshals.

DEADLINE FOR ENTRIES: 30th June 2019
