Dear Lesley,

Would you pass on to the Astwood Bank Carnival Committee our heartfelt thanks for the cheque for £400 which we received last night. We came to support you and were totally surprised to receive the money because we didn't realise that you had made so much money. You should be so proud of yourselves because you triumphed over such difficulties. We are so grateful for all your efforts and will help you any time. I will deliver some mincepies to your house on Dec 22nd or the day before.

Registered Charity No: 1038940

thanks again Mary B.
